CAREER OBJECTIVE

Motivated MCA graduate with strong knowledge in Java development, including Spring Boot, Hibernate, and REST APIs. Passionate about building scalable backend applications and eager to contribute to a dynamic organization while continuously learning and improving technical skills.

SKILLS

Programming Languages: Java (OOPs), SQL (DDL, DML, DCL,Joins)
Backend: Spring Boot, Hibernate, JDBC, REST APIs
Web Technologies: HTML, CSS, JavaScript
Tools & IDEs: Eclipse, VS Code, SQL Plus,Postman
Operating Systems: Windows
Soft Skills: Communication, Problem-Solving, Adaptability, Teamwork

PROJECTS

Blogging Application – Spring Boot & Spring Data JPA **Jan 2026 - Mar2026**
(Java, Spring Boot, Spring Security, Spring Data JPA, MySQL)
GitHub: https://github.com/Ramireddyvigneswari/blogging-application
• Developed a RESTful Blogging Application enabling users to create, read, update, and delete posts with secure access.
• Implemented JWT-based authentication and role-based authorization using Spring Security.
• Designed layered architecture (Controller → Service → Repository) for scalable and maintainable code.
• Integrated MySQL with Spring Data JPA for efficient database operations.
• Implemented pagination, sorting, and global exception handling for improved API performance and reliability.
• Used DTOs for structured data transfer and improved API response handling.

Optimizing Employee Turnover Prediction Using Knowledge Graphs and Explainable AI
(GCN, LIME, SHAP, XAI)
Mar 2025 – Jul 2025
• Developed predictive models to analyze employee turnover using Graph Convolutional Networks (GCN).
• Leveraged Explainable AI techniques (LIME, SHAP) for model interpretability.
• Gained practical experience in machine learning, data analysis, and decision-making.

EDUCATION

- Master of Computer Applications (MCA) – Madanapalle Institute of Technology and Science, JNTUA 2023 – 2025 | CGPA: 8.95
- Bachelor of Science (Computer Science) – Sri Venkateswara Degree College of Arts and Computer Science, YVU| 2020 – 2023 | CGPA: 8.98
- Intermediate (MPC) – J.M.J Junior College | 2018 – 2020 | CGPA: 8.45
- SSC – Z.P. High School | 2016 – 2018 | CGPA: 9.0

CERTIFICATIONS

- Java Full Stack Development – JSpiders, Bangalore | April 2025
- NPTEL – Programming in Java
- Presented Paper: *"Enhancing Air Quality Prediction Using ML Algorithms"* – AIR 2025, Kazakhstan.
- Cisco Networking Essentials (2024)
